Parent Login Request Form

STI – Student Information System

Parents need to fill out the login form and email, mail, or bring the form to one of the offices. You will need to fill out the form completely in order to have your request responded to promptly. The information is very important for the student records to be correct. One parent per login form.

Please Type

Parent's Name

Relationship

Mailing Address

Physical Address

City

State

Zip Code

County

List all students that parent has legal custody of:
